GENERAL LICENSE TERMS

The terms are applicable under current provisions and will apply and be enforced to our service. The acquisition of our products implies full acceptance of the following terms:

- INTELLECTUAL PROPERTY

1. By acquiring digital content from the page **Paoson Woodwork** you only acquire the right to use the designs. This license does not involve any transfer of intellectual property rights of the content, which will remain the property of the author and the company **Paoson Woodwork**. Furthermore, no authorization is transferred for any other use which is not duly authorized. In the event of a transfer or temporary leasing of rights for other uses, these must be expressly authorized.

2. The acquisition of content will be governed by the license supplied with each product. The client therefore undertakes to accept and comply with each license. Consequently, the terms of said licenses will complement the terms set out in these conditions.

- CONFIDENTIALITY AND PROTECTION OF DATA

3. **Paoson Woodwork** shall maintain the confidentiality and security of the information provided by the acquirer of the contents of page **Paoson Woodwork** in accordance with the provisions of personal data protection law.

- MODIFICATIONS OF CONDITIONS OF SERVICE

4. **Paoson Woodwork** reserves the right to modify the characteristics and value of the contents offered through the webpage **Paoson Woodwork**. These modifications shall only be made public through the Internet and shall affect all contents. The use of the services provided by **Paoson Woodwork** implies the acceptance of the modifications and/or updates of this terms and conditions sheet.

- USE OF COOKIES

5. The site **Paoson Woodwork** reserves the right to use “cookies”. The contents of said cookies shall be files of small size which will be sent to the device of the person who accesses the webpage **Paoson Woodwork** to ensure the correct functioning and viewing of the website by the user. The cookies shall be used temporarily and shall disappear when
